Job Title: Mechanical Engineer
Location: Mankato and Faribault, MN
Education: Min. Bachelor's Degree in Mechanical Engineering
Licensure: Professional Engineer desired, Experienced EI Required

Job Description

I&S Group is a full-service architectural, engineering, and planning consulting firm with two locations in southern Minnesota providing multidisciplinary services throughout the nation. I&S Group is seeking a Mechanical Engineer to work on a wide variety of industrial, commercial, and public buildings. The job has the opportunity to be located in Mankato or Faribault, MN. This position is well suited for a motivated professional engineer or engineering intern looking to earn their professional engineering license.

Responsibilities

- » Subscribe to our goals and objectives, including geographic and project-type diversity;
- » Become a complementary member of our team as a whole, and on a project-by-project basis;
- » Produce work using computer aided design/drafting hardware and software;
- » Work on several projects at one time;
- » Field measure and document existing buildings;
- » Produce and coordinate construction drawings with other disciplines;

Requirements

- » Bachelor's Degree in Mechanical Engineering with successful completion of Fundamentals of Engineering exam, Professional Engineering Licensure desired;
- » Minimum of 3 Years of HVAC and Plumbing design, preferred emphasis in commercial and public buildings;
- » Strong communication, report writing, organization, analytical and interpersonal skills;
- » Working knowledge of the design standards and codes for public building design;
- » A high level of technical and organizational skill accompanied by strong oral and written communication;
- » Working knowledge of design software (AutoCAD MEP, Trace Trace), Revit MEP preferred;
- » Working knowledge of standard computer software, such as Excel and Word.

For further information about I&S Group, or to apply for one of our positions, please visit us online at: www.is-grp.com. We thank all applicants for their interest; however only those selected for an interview will be contacted. I&S Group is an equal opportunity employer.
