

Greater Minnesota Gas Pipeline

Coates to Cannon Falls, MN

Greater Minnesota Gas (GMG) is a privately held, investor-owned natural gas distribution company in southern Minnesota. A recent 13-mile pipeline was constructed from the town of Coates to Cannon Falls, Minnesota. Services included parcel boundary, gas line, and asbuilt surveys which provide existing conditions. In addition to these services, pipeline alignment and profile design, environmental permitting, and Geographical Information System (GIS) integration for energy transmission projects are often provided on these projects.
